“On behalf of everyone at Mercy Flight, thank you for your continued support. We rely on the generosity we receive from our friends, and every year I am overwhelmed by the dedication and commitment of the Alden Auto Show sponsors, committee members, volunteers, and attendees. We sincerely appreciate everything you do in support of this great event and our organization.”

The Mission

Mercy Flight Inc. is a local, independent, not-for-profit provider of air and ground medical transportation and supporting services, ensuring rapid, safe, and cost-effective delivery of expert emergency response teams. We serve the eight counties of WNY and NW PA with air bases in Buffalo, Batavia, and Olean with an optional base in Springville. We added seasonal service to Wellsville in May of 2025. Additionally, we have ground ambulance bases in Genesee, Niagara, Southern Erie, and Orleans Counties and the Town of Hamlin in Monroe County. In 2026 we acquired Finger Lakes Ambulance EMS in Wyoming County.

Established in 1981, Mercy Flight has safely completed over 33,000 air medical transport missions, and thousands of ground ambulance transports, and is available 24 hours a day, 7 days a week, 365 days a year. The financial support we receive from individual donors, community groups, service clubs, and events like the Alden Auto Show plays a vital role in our ability to carry out our mission.

A Year in Review

2013 through 2019, 2021, 2022, 2023, 2024, and 2025 were very successful at our venue in Alden as we paused in 2020 due to the pandemic. Thank you for your continued support.
